# NOTICE OF FORFEITED PROPERTY SUBJECT TO FORECLOSURE IN 2023
# Eric R. Sabree, Wayne County Treasurer

## www.treasurer.waynecounty.com

Paid Supplement to the Detroit Legal News — December 6 and December 13, 2022

**DO NOT LOSE YOUR PROPERTY**

**DUE TO UNPAID TAXES!**

**www.treasurer.waynecounty.com**

The Office of the Wayne County Treasurer has filed a Petition for Foreclosure in the Wayne County Circuit Court in accordance with Public Act 123 of 1999. The Petition requests the properties forfeited to the Wayne County Treasurer on March 1, 2022 and/or on March 1 of a prior year(s), for failure to pay 2020 and any prior forfeited taxes, interest, penalties, and fees, will be foreclosed in favor of the Wayne County Treasurer.

**PUBLICATION**. Public Act 123 requires publication of a list, set forth below, of the forfeited properties which remain unpaid, together with the name of all persons of record that may hold a property interest in the property subject to foreclosure by the Wayne County Treasurer.

**THIS NOTICE IS REQUIRED BY LAW**. This notice has been sent to persons of record that may hold a property interest in the property, even if the person no longer claims an interest in the property. **This notice does NOT necessarily mean that you are the owner of a property or that you are the person responsible for the property taxes.**

The street address for the property listed is based on the local records. The names have been obtained from the records of the local treasurers, assessors, the Office of the Wayne County Register of Deeds, and the Office of the Wayne County Treasurer.

**THIS LIST IS NOT AN OFFERING OF PROPERTY FOR SALE.** The listed properties are NOT being sold, auctioned, or otherwise made available by virtue of this notice. There is no procedure for purchasing the properties from the Wayne County Treasurer at this point in the foreclosure proceeding. Properties that are foreclosed and not redeemed may become available at public auction in September and October of 2023. The properties remain the property of the current owner until redemption rights have expired. **No person should make any attempt to inspect or enter any property listed assuming it to be for sale. This may constitute trespassing and subject the offender to criminal prosecution.**

**NOTICE OF SHOW CAUSE HEARING.** Any person with an interest in the forfeited properties may schedule an appointment for a phone conference to show cause why title to the forfeited properties should not vest absolutely in the Wayne County Treasurer. You can schedule a Show Cause Hearing, pay your taxes or enter into a payment plan on our website at www.treasurer.waynecounty.com. Most taxpayers only need to pay their delinquent property taxes or to get into a payment plan.

**NOTICE OF JUDICIAL FORECLOSURE HEARING.** A Judicial Foreclosure Hearing will be held remotely via a Zoom Conference on February 22 and 23, 2023. If you claim a legal interest in the forfeited properties, your tax issue falls into one of the categories below and you want a hearing to contest the Petition, you must file a written Objection to Foreclosure and file it by or before February 8, 2023.

The following are valid reasons to schedule a Judicial Foreclosure Hearing according to the statute:

1. No law authorizes the tax.
2. The person appointed to decide whether the tax shall be levied under a law of this state acted without jurisdiction or did not impose the tax in question.
3. The property was exempt from the tax in question or was not legally levied.
4. The tax has been paid within the time limited by law for payment or redemption.
5. The tax was assessed fraudulently.
6. The description of the property used in the assessment was so indefinite or erroneous that the forfeiture was void.
7. The owner of property subject to foreclosure is a minor heir.

Although you may submit your own personal objection letter, for your convenience, a blank objection form can be found at www.treasurer.waynecounty.com or may be picked up at 400 Monroe, Suite 290, Detroit. If your objection is not filed on the objection form, you must include your cell phone number and the address or parcel number of the property. Your objection can be filed by emailing the form to: judgefresard-court@3rdcc.org or by sending it by regular mail to Chief Judge Patricia P. Fresard, 2 Wood- ward Ave., Room 701, Coleman A. Young Municipal Cen- ter, Detroit, MI 48226 with a copy mailed to: Corporation Counsel/Objections, 400 Monroe, Suite 290, Detroit, MI 48226 or emailed to: CCObjections@waynecounty.com. If no written objection is filed, you waive any right to a hearing and the Court may enter a Judgment of Foreclo- sure. If you have a legal interest in the property referenced above, you could lose your legal interest as a result of the foreclosure proceeding brought pursuant to MCL 211.78k

Unless all 2020 and prior taxes, interest, penalties, and fees are paid on or before the March 31, 2023, immediately succeeding the entry of a Judgment of Foreclosure, or in a contested case within twenty-one (21) days of the entry of a Judgment of Foreclosure, the title to the property shall vest absolutely in the Wayne County Treasurer.

If the property is foreclosed, you will have an opportunity to seek recovery of any equity that you may possess in the property in the form of remaining proceeds which may be realized through subsequent sale. Any party who holds **an interest** in the property at the time of foreclosure has the right to **make a claim** for remaining proceeds, which first requires completing and sending the Notice of Intention required by MCL 211.78t(2) to the FGU **no later than July 1, immediately following foreclosure**. You may lose any equity associated with your interest in the property following foreclosure unless you pursue a claim under MCL 211.78t. Those who wish to consult with an attorney about this notice and pending tax foreclosure may go to the State Bar of Michigan's legal resource and referral web page at https://lrs.michbar.org or may call (800) 968-0738 for assistance in finding private legal counsel.

**PUBLICATION DEADLINE.** The following properties have delinquent forfeited taxes for the 2020 and/or prior tax years. The current amount required to redeem may be obtained from the Wayne County Treasurer website at: www.treasurer.waynecounty.com. To meet the publishing deadline, this list of property was created during the week of November 15, 2022. If a property appears on the list and the forfeited taxes have been paid in full between the first week of November and the date of this publication, confirmation that there are no outstanding forfeited taxes can be obtained by visiting www.treasurer.waynecounty. com and accessing the "pay-on-line" function or by calling the Wayne County Treasurer's office at (313) 224-5990.

# HOW TO SAVE YOUR PROPERTY FROM TAX FORECLOSURE
# ERIC R. SABREE Wayne County Treasurer

Dear Fellow Taxpayer,

***You are receiving a notice that this property is being foreclosed due to unpaid, forfeited property taxes. Please understand it is my duty as Wayne County Treasurer to collect delinquent taxes. If you are participating in a payment plan with my Office, you are required to make all installment payments to avoid foreclosure.***

*If the forfeited taxes are not paid, the Treasurer's Office is required by law to foreclose on the property and then offer the property for sale at a public auction.*

**It is important that you contact my office as soon as possible, to avoid property tax foreclosure. Please do not wait until the January Show Cause Hearings.**

To assist you in avoiding foreclosure, my office offers a variety of programs. The first is the Interest Reduction Stipulated Payment Agreement (IRSPA). The second is the Stipulated Payment Agreement (SPA). The third is the Pay As You Stay (PAYS). The last is the Distressed Owner/Occupant Extension (DOOE). These programs are discussed in greater detail in the following paragraphs. Arrangements for these plans should be made by March 14, 2023.

***Interest Reduction Stipulated Payment Agreement (IRSPA)***
This payment plan reduces the interest rate from 18% to 6% and is only available for eligible persons who own and live in the property and have a Principal Residence Exemption. For an IRSPA, all delinquencies are bundled into one payment plan. If you pay the monthly payments when due, and pay your current taxes, you will avoid foreclosure. To enter into an IRSPA you will need to make a 10% down payment and make monthly payments. IRSPAs are available now and are not valid until signed by both the taxpayer and the Treasurer's Office.

***Stipulated Payment Agreement (SPA)***
This program is available for residential or commercial property and you do not need to live in the property, but you must agree to waive any objection to foreclosure. For a SPA, we will add ALL Taxes, Fees, and Interest due for the 2020 and any prior years' taxes, and after application of a required initial down payment, we will divide the remaining number into monthly payments to be made the first week of each month. If you pay the monthly payments when due, you will avoid foreclosure.

You can enter a SPA with a 30% down payment if your payment is made by December 13, 2022. If entered between December 14, 2022 and January 17, 2023, your down payment will be 40% and if payment entered between January 18, 2023 and February 14, 2023, your down payment will be 50%. If entered between February 15, 2023 and March 14, 2023, your down payment will be 60%. SPAs must be filed by March 14, 2023 and are not valid until signed by both the taxpayer and the Treasurer's Office. SPAs are available now.

Please understand that if you participated in a SPA previously, all payments must be made on that program before you are able to participate this year.

***Pay As You Stay (PAYS)***
This program may reduce your taxes and is only available for residents who own and occupy the residence and live in a municipality that has opted into the program. You must apply for the Poverty Exemption through your local assessor's office and be approved. If deemed eligible, you will be contacted by the Wayne County Treasurer's office via mail on your next steps to enroll into this program.

***Distressed Owner Occupant Extension (DOOE)***

- To get into this extension plan you must own the property and have a deed or land contract recorded in your name. You must also live in the property and have proof of occupancy via utility bill or other document.
- Interest accrues monthly at 1.5%.
- You must provide a valid driver's license or State ID when entering the plan.
- This plan is for those experiencing financial hardship with documented proof.

If you are a Veteran of the U.S. Military, or a first responder (police officer, fire fighter, emergency medical technician or hospital employee), our office will waive the down payment requirement for you to enter into a payment plan. For Veterans or surviving spouses, please bring your DD-214 and photo ID with you. For First Responders, please bring your employee ID with a photo.

Please take advantage of one of these programs to avoid foreclosure and auction. We have developed the PAYSPA, SPA, IRSPA, and DOOE programs to assist you in avoiding foreclosure by giving you time to pay the delinquent taxes. Please go online at www.treasurer.waynecounty.com to enter a payment plan or download the DOOE application. If you have any questions about payment plans or about getting re-instated into your previous payment plan, please email them to WCTOpaymentplans@waynecounty.com. For general questions about your delinquent and forfeited taxes or to make an appointment, email us at taxinfo@waynecounty.com, or call 313-224-5990. To enter our office, an appointment and a mask or face covering are required.

Any delay will only cause additional costs. We are conducting hearings in January and February 2023, but if you enroll in one of the programs now, you may not have to attend those hearings.

***SPAs, IRSPAs, PAYSPAs, and DOOEs are not valid unless signed by a Wayne County Treasurer's Office representative.***

***Are Your Property Taxes Too High?***
Many feel the taxes on their home are too high. Please understand that my office does not set taxes and we are not authorized to change the taxes in any way. Once taxes are turned over to us by your local municipality as delinquent, we must collect the delinquencies. Taxes are tied to the city/township assessment of your property, and our office cannot alter the assessed value; this must be done at your local assessor's office. When you see what the city or township lists as the value of your property, you have a right to appeal and ask that the assessment be changed:

- When you receive notice of the assessment of your property there will be an explanation of the process to appeal that assessment.
- Please check for the actual appeal dates with your local municipality as you only have a short period of time. This process can lower the current taxes on your property.

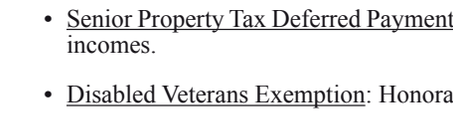
Please check with your local municipal office for a variety of programs that can reduce the amount of your property taxes, such as:

- Principal Residence Exemption (PRE): If you live in your home as your primary residence, you may file an application at your local assessor's office to reduce the amount of taxes assessed on your property.
- Homeowner Property Exemption (HOPE) or Property Tax Exemption (PTE): Many municipalities offer full or partial exemptions for the current year's taxes for owner occupants who meet the guidelines.
- Senior Property Tax Deferred Payment Program: Tax payments may be deferred for senior citizens with limited incomes.
- Disabled Veterans Exemption: Honorably discharged veterans with disabilities may qualify for exemptions.

***Please understand that our office cannot waive taxes, interest, or fees for any taxpayer for any reason.***
***Tax Payment Options***
Payment of the 2020 and prior years' taxes, penalties, fees and interest can be made by using one of the methods below:

- Online with bank transfer or credit card or debit card at (www.treasurer.waynecounty.com);
- At a payment kiosk using cash, credit card, or a personal check (visit www.WCTKiosk.com for a list of locations**). Cashier Checks and Money Orders are not accepted**.
- By using the Wayne County mobile app with a bank transfer or credit card or debit card. The app can be downloaded at Google Play or the Apple App Store.
- By mail with a personal check, cashier's check or money order (payable to Wayne County Treasurer). Please do not send cash and be sure to put the parcel ID number on your check.
- By phone with a bank transfer or credit card or debit card by calling (313-224-5990) and choosing option #1.
- By placing your payment in the drop box in the lobby at the address below. Please do not put cash in the drop box and be sure to put the parcel ID or property address on your check.
- In person with cash, a personal check, cashier's check, money order, credit card or debit card at the Wayne County Treasurer's Office, 400 Monroe St., 5th fl., Detroit, MI 48226. **YOU MUST MAKE AN APPOINTMENT at www. treasurer.waynecounty.com.**

We look forward to helping you avoid property tax foreclosure and stay in your home.Sincerely,



**ERIC R. SABREE**
WAYNE COUNTY TREASURER

Please understand that, under normal circumstances, the Wayne County Treasurer's Office does not evict occupants from foreclosed properties unless law enforcement authorities have informed us that they have taken action against such occupants for conducting criminal activities in the property. However, if the property is foreclosed and sold at auction, the new ownermay evict. To learn more about how to save your property from foreclosure, visit our website at www.treasurer.waynecounty. com, email us at taxinfo@waynecounty.com, or make an appointment (on our website or by calling 313-224-5990) to come into our office to discuss your options with our staff at 400 Monroe, 5th floor, Detroit, MI 48226. **YOU MUST MAKE AN APPOINTMENT AND A MASK OR FACE COVERING IS REQUIRED.**
