Paid Supplement to the Detroit Legal News — November 26 and December 3, 2019

DO NOT LOSE YOUR PROPERTY DUE TO UNPAID TAXES!

www.treasurer.waynecounty.com

The Office of the Wayne County Treasurer has filed a Petition for Foreclosure in the Wayne County Circuit Court in accordance with Public Act 123 of 1999. The Petition requests the properties forfeited to the Wayne County Treasurer on March 1, 2019 and/or on March 1 of a prior year(s), for failure to pay 2017 and any prior forfeited taxes, interest, penalties, and fees, will be foreclosed in favor of the Wayne County Treasurer.

PUBLICATION. Public Act 123 requires publication of a list, set forth below, of the forfeited properties which remain unpaid, together with the name of all persons of record that may hold a property interest in the property subject to foreclosure by the Wayne County Treasurer.

THIS NOTICE IS REQUIRED BY LAW. This notice has been sent to persons of record that may hold a property interest in the property, even if the person no longer claims an interest in the property. **This notice does NOT necessarily mean that you are the owner**

of a property or that you are the person responsible for the property taxes.

The street address for the property listed is based on the local records. The names have been obtained from the records of the local treasurers, assessors, the Office of the Wayne County Register of Deeds, and the Office of the Wayne County Treasurer.

THIS LIST IS NOT AN OFFERING OF PROPERTY FOR SALE. The listed property is NOT being sold, auctioned, or otherwise made available by virtue of this notice. There is no procedure for purchasing the property from the Wayne County Treasurer at this point in the foreclosure proceeding. Property that is foreclosed and not redeemed may become available at public auction in September and October of 2020. **The property remains the property of the current owner** until redemption rights have expired. **No person should make any attempt to inspect or enter any property listed assuming it to be for sale.** This may constitute trespassing and subject the offender to criminal prosecution.

NOTICE OF SHOW CAUSE HEARING. Any person with an interest in the property may appear in person or through an agent to show cause why title to the forfeited property should not vest absolutely in the Wayne County Treasurer.

Because of the number of parcels served this year we have gone to a 6 day schedule with sessions at 9:00 a.m. and 1:00 p.m. on the following 2020 dates: January 8, 9, 10, 14, 15, and 16, at the International Banquet and Conference Center, 400 Monroe Street, 8th Floor, Detroit MI, 48226.

NOTICE OF JUDICIAL FORECLOSURE HEARING. A Judicial Foreclosure Hearing will be held before Wayne County Circuit Court Chief Judge Timothy Kenny, 701 Coleman A. Young Municipal Center, 2 Woodward Ave., Detroit, Michigan 48226.

The schedule is as follows:

City of Detroit wards 1 thru 21, Feb. 19, 2020.

All others Feb. 20, 2020.

A person claiming an interest in a property who desires to contest the Petition, shall file written objections by February 5, 2020 with Judge Kenny's Court Clerk, and provide the Wayne County Treasurer with a copy of the written objection either by regular mail or by hand delivery c/o Wayne County Corporation Counsel/Objections, 400 Monroe St., Suite 660 Detroit, Michigan 48226. The written objection must be filed and received by Corporation Counsel by February 5, 2020. If no objection is filed, the Court may enter a Judgment of Fore-

closure as to the property. A person with an interest in the property on this Notice of Property Tax Delinquency may lose his or her interest in the property as a result of the foreclosure proceeding.

Unless all 2017 and prior taxes, interest, penalties, and fees are paid on or before the March 31 immediately succeeding the entry of a Judgment of Foreclosure, or in a contested case within twenty-one (21) days of the entry of a Judgment of Foreclosure, the title to the property shall vest absolutely in the Wayne County Treasurer.

PUBLICATION DEADLINE. The following properties have delinquent forfeited taxes for the 2017 and/or prior tax years. The current amount required to redeem may be obtained from the Wayne County Treasurer website at: www.treasurer.waynecounty.com. To meet the publishing deadline, this list of property was created during the week of November 18, 2019. If a property appears on the list and the forfeited taxes have been paid in full between the first week of November and the date of this publication, confirmation that there are no outstanding forfeited taxes can be obtained by visiting www.treasurer.waynecounty.com and accessing the "pay-on-line" function or by calling the **Wayne County Treasurer's office at (313) 224-5990.**

HOW TO SAVE YOUR PROPERTY FROM TAX FORECLOSURE

ERIC R. SABREE - Wayne County Treasurer

Dear Fellow Taxpayer,

You are receiving a notice that this property is being foreclosed due to unpaid, forfeited property taxes. Please understand it is my duty as Wayne County Treasurer to collect delinquent taxes. If you are participating in a payment plan with my Office, you are required to make all installment payments to avoid foreclosure.

If the forfeited taxes are not paid, the Treasurer's Office is required by law to foreclose on the property and then offer the property for sale at a public auction.

It is important that you contact my office as soon as possible, to avoid property tax foreclosure. Please do not wait until the January Show Cause Hearings.

To assist you in avoiding foreclosure, my office offers a variety of programs. The first is the Interest Reduction Stipulated Payment Agreement (IRSPA). The second is the Stipulated Payment Agreement (SPA). The last is the Distressed Owner/ Occupant Extension (DOOE). These programs are discussed in greater detail in the following paragraphs. Arrangements for these plans should be made by March 13, 2020.

Interest Reduction Stipulated Payment Agreement (IRSPA)

This payment plan reduces the interest rate from 18% to 6% and is only available for eligible persons who own and live in the property and have a Principal Residence Exemption. For an IRSPA, all delinquencies are bundled into one payment plan. If you pay the monthly payments when due, **and pay your current taxes**, you will avoid foreclosure. To enter into an IRSPA you will need to make a 10% down payment, and make monthly payments. IRSAPs are available as of October 1, 2019 and are not valid until signed by both the taxpayer and the Treasurer's Office.

Stipulated Payment Agreement (SPA)

This program is available for residential or commercial property and you do not need to live in the property, but you must agree to waive any objection to foreclosure. For a SPA, we will add ALL Taxes, Fees, and Interest due for the 2017 and any prior years' taxes, and after application of a required initial down payment, we will divide the remaining number into monthly payments to be made the first week of each month. If you pay the monthly payments when due, you will avoid foreclosure.

You can enter into a SPA with a 10% down payment if your payment is made by December 18, 2019. If entered between December 19, 2019 and January 17, 2020, your down payment will be 20%. If entered between January 18 and February 13, 2020, your down payment will be 30%. If entered between February 14 and March 13, 2020, your down payment will be 40%. SPAs are available as of October 1, 2019 and are not valid until signed by both the taxpayer and the Treasurer's Office. SPAs must be filed by March 13, 2020.

Please understand that if you participated in a SPA previously, all payments must be made on that program before you are able to participate this year.

Distressed Owner Occupant Extension (DOOE)

Residents who own their home and live in the home as their primary residence may choose the Distressed Owner Occupant Extension (DOOE) plan that allows a financially distressed taxpayer additional time to make payments. Please understand that interest will continue to be added at a rate of 1.5% each month (18% per year), so any payments made will reduce the amount subject to interest. If you qualify for this program, you are advised to make payments monthly to reduce the amount you owe as you will be required to have the taxes for 2017 paid in full by December 11, 2020. Applications received after March 13, 2020, will require an initial down payment.

To qualify for the DOOE you must have the 2017 and prior years' taxes paid in full and bring copies of these documents to our office:

- Proof that you own the home by producing a copy of a recorded deed or land contract with your name on the document.

- Proof that you live there by producing a copy of a utility bill that was received in the last 90 days, with your name, and mailed to the address of the parcel for which you are applying.

- Proof of your identity by producing a copy of a valid driver's license or State ID with your picture and the address of the parcel for which you are applying.

- Proof that you are financially distressed by filling out an affidavit indicating your income and expenses. This form is available at our office.

If the application is acknowledged and approved in writing by this office, you will have until December 11, 2020, to pay the 2017 taxes. It is recommended that you make partial payments each month. A DOOE is not valid until approved in writing by a member of this office. DOOEs should be filed by March 13, 2020. DOOE's are available as of October 1, 2019. DOOE plans that are being renewed will require the signature of the Treasurer's Office.

Please take advantage of one of these programs to avoid foreclosure and auction. We have developed the DOOE and SPA/IRSPA programs to assist you in avoiding foreclosure by giving you time to pay the delinquent taxes. Please come to our office to address your delinquent and forfeited taxes, and discuss the programs with our staff as soon as possible. Any delay will only cause additional costs. We are conducting hearings in January and February, 2020, but if you enroll in one of the programs now, you may not have to attend those hearings.

Step Forward Michigan – Per MSHDA, the application period closes on Nov.30, 2019

Although this is not a Wayne County Treasurer program, if you own and occupy your home, you might qualify for a program to have the federal government pay the delinquent taxes on your home. They may also provide funds to bring a delinquent mortgage up to date.

To qualify, you must have suffered an involuntary financial hardship that caused you to miss payments. This could be a loss of income, a serious illness in the family, or other financial difficulties. You must own the home; this means your name appears on the deed that is recorded with the Register of Deeds. You must live in the home, and you must have an income to pay the taxes going forward.

If you qualify, the government may provide an interest free loan of up to \$30,000 that is forgiven if you continue to live in the home for five years. To apply for this program visit: StepForwardMichigan.org or call (866) 946-7432.

Are Your Property Taxes Too High?

Many feel the taxes on their home are too high. Please understand that my office does not set taxes and we are not authorized to change the taxes in any way. Once taxes are turned over to us by your local municipality as delinquent, we must collect the delinquencies. Taxes are tied to the city/township assessment of your property, and our office cannot alter the assessed value; this must be done at your local assessor's office. When you see what the city or township lists as the value of your property, you have a right to appeal and ask that the assessment be changed:

- When you receive notice of the assessment of your property there will be an explanation of the process to appeal that assessment.
- Please check for the actual appeal dates with your local municipality as you only have a short period of time. This process can lower the current taxes on your property.

Please check with your local municipal office for a variety of programs that can reduce the amount of your property taxes, such as:

- **Principal Residence Exemption (PRE):** If you live in your home as your primary residence, you may file an application at your local assessor's office to reduce the amount of taxes assessed on your property.

- **Homeowner Property Tax Assistance Program (HPTAP or Property Tax Exemption):** Many municipalities offer full or partial exemptions for the current year's taxes for owner occupants who meet the guidelines.

- **Senior Property Tax Deferred Payment Program:** Tax payments may be deferred for senior citizens with limited incomes.

- **Disabled Veterans Exemption:** Honorably discharged veterans with disabilities may qualify for exemptions.

Please understand that our office cannot waive taxes, interest, or fees for any taxpayer for any reason.

Tax Payment Options

Payment of the 2017 and prior years' taxes, penalties, fees, and interest must be made with a Cashier's Check, Money Order or Cash at the Wayne County Treasurer's Office at 400 Monroe, 5th Floor, Detroit, MI 48226.

Sincerely,

ERIC R. SABREE
WAYNE COUNTY TREASURER

Please understand that, under normal circumstances, the Wayne County Treasurer's Office does not evict occupants from foreclosed properties unless law enforcement authorities have informed us that they have taken action against such occupants for conducting criminal activities in the property. However, if the property is foreclosed and sold at auction, the new owner may evict. To learn more about how to save your property from foreclosure, call **(313) 224-5990**, email us at: taxinfo@waynecounty.com, visit our website at: www.treasurer.waynecounty.com, or come to our office to discuss your options with our staff: 400 Monroe, 5th floor, Detroit, MI 48226.
